THE WEST INDIES.—Coming from Mass, St. Lucia.

TUCK'S POST CARD.

CARTE POSTALE. POSTKARTE.

Coming from Mass, St Lucia. The picture shows the entrance to a Roman Catholic Church in Castries, the capital of St. Lucia, a reminder that the island was once a French possession. The negroes of the West Indies take a great interest in religious matters, and are very strenuous in the support of their own particular sect.
